PROFESSIONAL DEMO REEL

AFFORDABLE SERVICES FOR TALENTED PEOPLE

Auditions take place all over the country, but most actors can't afford to travel to all of them. That doesn't mean you can't get your work in front of Casting Directors though! With a professionally made Demo Reel, you can submit yourself to jobs all over the world including online competitions, Webcast Hosting positions, and major network TV shows!

PACKAGE INCLUDES:

- Your on-camera introduction to your demo reel, recorded in our studio with broadcast television equipment.
- Editing of your pre-existing portfolio materials into a highlight reel - or do a short read!
- Graphics with your contact information in the reel.
- 5 DVD copies of the finished product (up to 3 minutes in length) with printed art on the DVD case and disc face.
- MPG version of edited reel for inclusion on-line.
- Free FilmRunner.Net advanced profile page with hosting of your demo reel.
- ONLY \$90.00 (plus shipping or free pick-up)
